We appreciate all our donors and partner organizations who helped us expand our outreach efforts in 2019 to the at-risk children we serve in Haiti. For the third year in a row, our ministry was blessed to earn a “Perfect 100” rating by Charity Navigator for being fiscally responsible and adhering to good governance and transparency. Less than one percent of the thousands of charities rated by this agency earn this score. This past December, thanks to our Rebuilding Hope 2020 partners, we reached our $5 million goal and have rebuilt or constructed 10 affiliated Christian schools, expanded our homes to care for orphaned children, and completed Phase 3 of our Camp Hope summer leadership training facilities at our Thomazeau Hope Center. We continue to be 100% locally operated by trusted Christian leaders and educators who provide excellent role models for the young people we serve.

As we enter our 25th year, I am thrilled to see many outstanding leaders today who began in destitute situations as elementary-age children when they started in our program in 1995! As progress has been made in our efforts, however, the difficulties faced in Haiti this past year for our children and families have greatly intensified due to national protests, government corruption, and famine. We are eager to continue working with our donors to expand our efforts as we witness the transformative power of Christian compassion, education and training in the lives of Haitian children trapped in deepest poverty.
